

Hour Vase

Hour

Hour is a series of vases, bowls and candleholders inspired by the silhouette of an hourglass and the fleetingness of time. With its clean and subtle beauty, Hour brings attention to the smaller things in life, and the fragility of time and taste. A sculptural design language with voluptuous contours designed to slow things down and with its elegant and beautiful exterior created to bring life to a momentary pause. Each design is made of durable and beautiful stoneware glazed mat on the outside to allude calm and serenity and shiny on the inside to ease cleaning and longevity.
