

Maïke chair

Design Orlandini

Understated, elegant MAIKE is a range of light, yet extra-strong, 4-leg chairs, made from glass fibre reinforced polypropylene, that will make the very best of all your shared spaces, be they indoors or outdoors. MAIKE is comfortable, practical and ergonomically designed, and is available in 10 on-trend colours: powder pink (R), menthol green (V), chocolate pant. 412C (2), coral pink pant. 198C (3), pastel blue pant. 2975C (4), apple green 368C (5), citrus yellow pant. 393C (6), sandy beige pant. 7501C (7), mandarine orange pant. 137C (8) and snow white RAL 9010 (9). **NEW** 100% recycled polypropylene version available in 2 colours: Rock Grey (P) and Ocean Blue (B).

Refer to polypropylene card p. 176. Both versions offer excellent stackability in 4s.

❶ Sold by pack of 4 units of the same colour. Unit price higher if not respected.
