

Woop Chair

A CHAIR WITH SOFT CLASSIC SHAPE.

Designer Archirivolto - Cristian Gori - 2019

[FIND MORE](#)

Sinuous and comfortable, Woop Chair offers a unique sensation of delicateness and softness. The folds of fabric lend it extreme generosity without weighing it down. The metal frame comes in a Peltro steel or Titanio steel finish, while the seat can be upholstered in leather, eco-friendly leather, velvet or fabric.

FEATURES

ESSENTIAL LINES

The structure in peltro steel or titanio steel finish enhances the slender elegant design of this generously padded chair.
