

Net Storage

ONE CUBE, TWO CUBES ... ALL THE WAY TO INFINITY

Designer Daniele Lago - 1997

FIND MORE

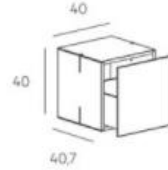

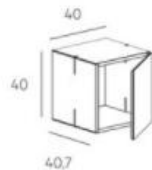

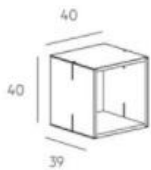

MODULAR STORAGE FOR GIVING FREE REIGN TO YOUR CREATIVITY

Net storage is made up of a net of cubes measuring 40 cm per side that can be combined to infinity, offering extraordinary freedom in designing this highly customisable modular shelving.

Net can be easily adapted to any living room, no matter what the size, also serving as a divider to create new spaces.
