Vele Bed

EVERYTHING IN ORDER AND WITHIN EASY REACH

Designer Andrea Leoni / LAGO STUDIO - 2014

[FIND MORE](#)

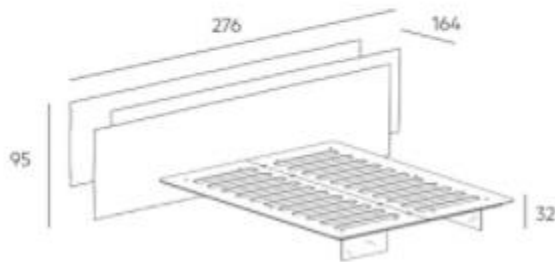

A UNIQUE BED THAT INTEGRATES BEDSIDE TABLES INTO THE HEADBOARD

The uniqueness of the Vele bed lies in the integration of bedside tables into its headboard. The misaligned panels, covered in fabric or leather, create extra space for keeping your things, all within reach. Books, cups, cellphones: everything becomes easily reachable, even in the dark.
